THE NEXT CHAPTER IN THIS RIVERSIDE STORY

St James Quay is a brand new urban community that combines modern architecture with deep-rooted heritage. This landmark development is situated in one of Norwich's most sought-after locations on the River Wensum, just a short traffic-free walk into the centre of Norwich.

Choose between one, two or three bedroom apartments, all designed to the highest standards and finished with clean, contemporary interiors.

From 2018 to 2020, and more recently in 2022, Norwich has been celebrated by the Sunday Times as one of the 'Best Places to Live', and with good reason: you'll find everything you want within walking distance; independent shops, delicious restaurants, intimate theatres, and contemporary galleries. Your route into the historic city centre will take you past iconic buildings, including the picturesque Tudor Tomblard and the magnificent cathedral.

NORWICH

A FINE CITY

Make your home at St James Quay and you'll benefit from all Norwich has to offer, from a brilliant food scene to an excellent cultural offering; all helping you to find the perfect balance between work and play.

With two universities, two cathedrals, and an impressive castle, this is a compact city with big aspirations, offering plenty to do and lots to explore. Just a ten minute walk away, you'll find independent shops, fine restaurants and eateries, and excellent bars.

Described by Thomas Fuller, an English historian, as "a city in an orchard" in 1662, Norwich is the only city in England in the centre of a National Park and is full of lovely green spaces, hidden woods, and unexpected nature. From your riverside home, you're only a short 8 minute walk* from Mousehold Heath, 184 acres of fairytale woodland.

BUILDING

ON A RICH HERITAGE

From your contemporary riverside home, the echoes of Norwich's historic past surround you: from the first Anglo-Saxon settlement, to the street names harking back to Viking invasions. The city's history is also written on the skyline for all to see, from the proud cathedral spire to the imposing Castle Keep.

Take a short walk along the tow path and you will find the beautiful and iconic redbrick Grade I listed St James Mill. The nearby Norwich Puppet Theatre; housed in a listed 15th century church is also just a short stroll away. This melding of industry and creative passions is characteristic of Norwich; a city filled with artisans and entrepreneurs.

Delve into St James Quay's past to discover a rich history of manufacturing, Jarrold's print, publishing, and bookselling accomplishments all played a crucial part in Norwich's sterling global reputation.

GO EXPLORE

DIVERSE & PROUDLY INDEPENDENT

Start the day off with a coffee, and maybe even a slice of cake. Coffee culture is booming in Norwich, with delicious roasts available throughout the city.

The much-loved Norwich Lanes are packed full of independent shops. It's worth wandering down the Royal Arcade for the Victorian Art Nouveau architecture alone, but you'll find plenty of gorgeous shops too.

Stroll along to St Benedict's for a spot to eat. It's a smorgasbord of delicacies, typical of the Norwich eatery scene, including local icons and Michelin guide picks. Head out for a gig, play, or comedy show, and then to round the evening off, end the night with a drink or two at one of Norwich's independent pubs or bars.

Norwich market, winner of the Best Large Outdoor Market in 2019, is a place where you can skip the supermarket and buy fresh, local, and independent: the stallholders source the best produce from miles around.

ABOUT HILL

Hill is an award-winning housebuilder and one of the leading developers in London, the home counties, and the south of England, delivering both private for sale and affordable homes.

This family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder. It has an impressive and diverse portfolio ranging from landmark mixed-use regeneration schemes and inner-city apartments to homes in idyllic rural countryside.

Hill prides itself on putting its customers first and has a dedicated customer journey designed to help buyers at every step of the way to homeownership. Hill has been awarded a 5-star status from the Home Builders Federation's annual Customer Satisfaction Survey for five consecutive years.

Hill has won over 480 industry awards in the past 24 years, including Best Medium Housebuilder at the Housebuilder Awards for the last three years, where in 2022, Hill's commitment to creating exceptional homes and sustainable communities was recognised with the Best Community Initiative and Best Sustainability Initiative. Hill's impressive Cavendish Villas at the highly sustainable Knights Park development in Eddington, Cambridge won Best Family Home at the 2022 Evening Standard New Homes Awards, as well as Best House and Best Exterior Design at the 2022 WhatHouse? Awards.

Employing over 750 staff, the company operates from five strategically located offices across the South-East, with its head office based in Waltham Abbey, Essex.

Hill builds around 2,500 homes a year, and around half of the company's development portfolio is in joint venture to deliver affordable homes, reflecting Hill's commitment to partnering with government, local authorities and housing associations.

In 2019, to mark its 20th anniversary and to give back to local communities, Hill Group designed and is donating 200 fully equipped modular homes to homelessness charities as part of a £15 million pledge through its award-winning Foundation 200 social impact initiative.
