Love TO LEARN

CAMBRIDGE IS FAMOUS FOR ITS UNIVERSITY COLLEGES,
BUT IT IS ALSO HOME TO AN EXCELLENT RANGE OF
SCHOOLS FOR CHILDREN OF ALL AGES.

A number of nurseries are conveniently located between Sadler's Yard and the city centre or business parks, helping to make combining work and family life easier. There are four primary schools within a 20 minute walk, all rated Good by Ofsted, and several secondary schools within easy reach, many of which are rated Outstanding.

The independent sector is also well represented, with The Leys School ranked as East Anglia's Independent Secondary School of the Year 2024 by The Sunday Times. The Perse School, founded in the 17th century, has three locations across the city for each stage of education.

For older students there is, of course, the world-leading University of Cambridge. Its 31 colleges are located throughout the city and feature excellent research, teaching and sports facilities.

CREATING EXCEPTIONAL PLACES TO LIVE

Hill is an award-winning housebuilder and one of the leading developers in London, the home counties, and the South.

In its 25th year, this family-owned and operated company has grown to establish itself as the UK's second-largest privately owned housebuilder, with an impressive and diverse portfolio of projects ranging from landmark, mixed-use regenerations, and inner-city apartment developments to homes in rural communities.

Employing over 850 staff, the company operates from six strategically located regional offices, with its head office based in Waltham Abbey, Essex.

Hill anticipates completing circa. 2,900 homes this financial year and has a controlled land bank with planning consent for over 8,500 units. Around half of its portfolio is in joint ventures to deliver a range of mixed-tenure developments, reflecting Hill's commitment to partnerships with government, local authorities, housing associations, and private clients.

Since the company was founded in 1999, Hill has won over 500 industry awards, including the

esteemed titles of WhatHouse? Housebuilder of the Year in 2015, 2020, and most recently in 2023, when it also won the Best Large Housebuilder accolade in its first year entering the category. Other awards won in 2023 range from WhatHouse? Awards Best Development and Best Exterior Design, to Best Family Home at the Evening Standard New Homes Awards.

In addition, Hill is dedicated to delivering the highest quality homes and exceptional customer service. This commitment has earned Hill the coveted 5-star status in the Home Builders Federation's annual Customer Satisfaction Survey for the past seven years.

The Hill Group is donating 200 fully equipped modular homes to local authorities and homeless charities as part of a £15 million pledge through its Foundation 200 programme, launched in 2019 to mark Hill's 20th anniversary.
