THE NEXT CHAPTER IN THIS RIVERSIDE STORY

St James Quay is a brand new urban community that combines modern architecture with deep-rooted heritage. This landmark development is situated in one of Norwich's most sought-after locations along the banks of the River Wensum, just a short traffic-free walk into the centre of Norwich.

Featuring striking brickwork and contemporary finishes, The Bradbury Building and The Julian Building are a collection of contemporary homes, offering a selection of one and two bedroom apartments and two bedroom duplexes. With all homes enjoying their own private outdoor space and designed for optimum convenience, clean elegant interiors make for the perfect place to put down roots.

From 2018 to 2020, and in 2022 and 2023, Norwich has been celebrated by The Sunday Times as one of the 'Best Places to Live', and with good reason: you'll find everything you want within walking distance; independent shops, delicious restaurants, intimate theatres, and contemporary galleries. Your route into the historic city centre will take you past iconic buildings, including the picturesque Tudor Tombland and the magnificent cathedral.

NORWICH

A FINE CITY

Make your home at St James Quay and you'll benefit from all Norwich has to offer, from a brilliant food scene to an excellent cultural offering; all helping you to find the perfect balance between work and play.

With two universities, two cathedrals, and an impressive castle, this is a compact city with big aspirations, offering plenty to do and lots to explore. Just a ten minute walk away, you'll find independent shops, fine restaurants and eateries, and excellent bars.

Described by Thomas Fuller, an English historian, as "a city in an orchard" in 1662, Norwich is the only city in England in the centre of a National Park and is full of lovely green spaces, hidden woods, and unexpected nature. From your riverside home, you're only a short 8 minute walk* from Mousehold Heath, 184 acres of fairytale woodland.

1. Cow Tower, 2. Thurne Windmill, Norfolk Broads, 3. Royal Arcade, 4. Elm Hill, 5. Norwich Castle Gardens. *Travel time is taken from Google Maps and is approximate.

BUILDING

ON A RICH HERITAGE

From your contemporary riverside home, the echoes of Norwich's historic past surround you: from the first Anglo-Saxon settlement, to the street names harking back to Viking invasions. The city's history is also written on the skyline for all to see, from the proud cathedral spire to the imposing Castle Keep.

Take a short walk along the tow path and you will find the beautiful and iconic redbrick Grade I listed St James Mill. The nearby Norwich Puppet Theatre; housed in a listed 15th century church is also just a short stroll away. This melding of industry and creative passions is characteristic of Norwich; a city filled with artisans and entrepreneurs.

Delve into St James Quay's past to discover a rich history of manufacturing, Jarrold's print, publishing, and bookselling accomplishments all played a crucial part in Norwich's sterling global reputation.

GO EXPLORE

DIVERSE & PROUDLY INDEPENDENT

Start the day off with a coffee, and maybe even a slice of cake. Coffee culture is booming in Norwich, with delicious roasts available throughout the city.

The much-loved Norwich Lanes are packed full of independent shops. It's worth wandering down the Royal Arcade for the Victorian Art Nouveau architecture alone, but you'll find plenty of gorgeous shops too.

Stroll along to St Benedict's for a spot to eat. It's a smorgasbord of delicacies, typical of the Norwich eatery scene, including local icons and Michelin guide picks. Head out for a gig, play, or comedy show, and then to round the evening off, end the night with a drink or two at one of Norwich's independent pubs or bars.

Norwich market, which has been trading for over 900 years, is a place where you can skip the supermarket and buy fresh, local, and independent: the stallholders source the best produce from miles around.
